

## EMPLOYMENT SCREENING

Our secure, online system simplifies the administration of pre-employment and ongoing screening, while human analysts ensure that reports are accurate and compliant. Each client works with a dedicated account executive, who is FCRA Certified by the National Association of Professional Background Screeners. Senior management is also available to answer questions and provide guidance when needed.

### Common employment screening specifications:

### What our clients say:

*"Integras Intelligence offers comprehensive, timely and cost-effective background screening solutions. However, what I value most is their customer service. We can always reach them and get answers whenever questions arise."*

— HR Director, Financial Services Firm

*"We switched over to Integras about a year ago and are thrilled with their service. They are reasonably priced, fast and diligent. Going with Integras is the best decision we could have made. In fact, we often recommend them to other organizations, which have also been very satisfied."*

— COO, Energy Company

### Why Integras?

- ✓ FCRA Compliant
- ✓ Cutting-Edge Technology Allows Integration with Applicant Tracking Systems and HR Information Systems
- ✓ Quick Turnaround Times
- ✓ Live Personal Assistance During Business Hours
- ✓ Few or No Set-up Costs in Most Cases
